Chairman's Message

"Death is really a great blessing for humanity, without it there could be no real progress. People who lived forever would not only hamper and discourage the young, but they would themselves lack sufficient stimulus to be creative."

Help NJ Students!

Manufacturers, Welders, Suppliers

Financial support is urgently needed to continue NJ Student Welding Activities. The AWS NJ Section has generously supported NJ student welders with travel & expenses for National VICA contests, awards dinners, plaques, and help to reach their goals in the field of welding. The well is dry and we need your help.

Support the future of welding with your tax deductible contribution

Jump in—

This is a perfect time for you to increase your participation and get more from your AWS membership. Plans are being formed for the 2008-09 season. The AWS NJ Section provides an excellent arena in which to build skills and experience to help you advance your career. Hone your managerial, organizational and leadership skills by heading a committee, or put your ideas into action through projects and activities.

Committee work and monthly meetings also provide opportunities to gain valuable contacts, network with other welding professionals, meet experts in the field, and keep up to date with new materials, equipment, processes and techniques.

So what are you waiting for? Contact any of the current officers, or come to the Executive meeting held just before the regular meeting.
