Scholarships Are Available

And they are NOT just for high school students —
YOU may be eligible

District 2, which includes the NJ Section, receives funds from the AWS Foundation each year to award in scholarships to applicants from the district who want to further their education in the Welding field. These District Scholarships are not limited to only high school students looking for college assistance. They are open to all those in the welding industry who wish to advance their careers by taking additional welding related courses from a welder training institute, trade school, or AWS sponsored course such as the Certified Welding Inspection Seminar.

To apply for a District Scholarship, download and complete the online application from the AWS website. The URL link is: 
http://www.aws.org/wa/foundation/district_scholarships.html

Enclose the completed application with the other requested documents and information and mail the package to: AWS Foundation 8669 Doral Blvd., Suite 130, Doral, Florida 33166. Attention: Nazdhia Prado-Pulido, Coordinator, Foundation.

Please help to spread the word by sharing this info with colleagues, relatives, instructors, students and any other interested parties, and encourage them to apply for the available funds.
