Chair’s Message

With the Holidays approaching, I would like to wish everyone a wonderful holiday season, and a happy and healthy new year.

I’m looking forward to seeing you at the November 19th meeting and throughout the new year.

Paul Lenox, CW, CWI, DCM Erectors
AWS NJ Section Chairman

Regular Meeting Date Change Effective in January

Our current meeting venue, Pantagis Renaissance/Snuffy’s Clambar, in Scotch Plains, NJ has announced some scheduling changes. As a result, beginning with the January 15, 2014 meeting, all regular AWS NJ Section meetings will switch to the third Wednesday of the month.

Please help to spread the word to others in the welding and related industries by sharing this info and including it in correspondence.

Thank you for your ongoing support of the AWS NJ Section.
“Weld Cable Control or Remote Control Welding Technologies”

Speaker: Dennis Mead, CWS
District Manager
Miller Electric Mfg. Co.

This presentation will discuss the advantages of weld cable control, and the type of equipment that currently is being used in this new technology.

Dennis Mead has been involved in the welding industry for 33 years. A member of AWS for 25 years, he has served the NJ Section in a variety of committee capacities and on the Executive Committee. He became a District Manager of Miller Electric Mfg Co. 14 years ago, and is currently responsible for all ITW Products (Miller, Hobart, Smith, Bernard, Weldcraft, & Tregaskiss) throughout the Greater New York and Northern New Jersey territory.

Visit the company website: www.millerwelds.com
At the 2013 CWI Seminar & Exam

The AWS NJ Section CWI Seminar & Exam was held October 13 - 19, 2013 at the PSEG, LLC Fossil Training Center in South Plainfield, NJ. Mr. Kenneth Kearney, Training Manager for PSEG hosted the class. There were 35 in attendance at the seminar; and 50 sat for the exam, some taking the Practical Exam and others taking an endorsement for their 9 year renewal. The moderator was Mr. James Gree, Senior Certified Welding Inspector and AWS Past President. NJ Section members Robert Petrone and James Dolan served as supervisors; and Eric Dolan, Al Fleury and Paul Lenox served as proctors for the exam. The NJ Section acknowledges and thanks all involved. Special thanks to PSEG for the use of their outstanding facilities.
At the Meeting  October 15, 2013

“Weld Fume Extraction”

Mr. Louis Thomas, ITW Welding North America gave an excellent presentation concerning modern equipment for weld fume extraction.

(L to R) NJ Section Chairman Paul Lenox, DCM Erectors, presents Louis Thomas, ITW Welding North America with a thank you gift following his presentation.

Consider Sponsorship

This newsletter is made possible through the support of our wonderful Sponsors, many of whom have been with us for over 25 years. We sincerely thank them for their ongoing support and encourage you to support them in return.

Please consider having your company become a Sponsor to help support the newsletter as well as other NJ Section’s efforts to keep in touch with the membership through the website and other forms of communication.

Sponsorships run for an entire year and include a display ad in each issue, and exclusive Sponsor benefits including online web links, profile editorials, and other free and discounted promotional opportunities.

For complete info, call: 973-731-2967, or email: grillonpkg@comcast.net

Fabtech 2013  Last Call

November 18-21 in Chicago

Co-sponsored by AWS, CGAI, FMA, SME, and PMA Metalform, Fabtech is North America’s largest combination metal forming, fabricating, welding and finishing event.

This year it will be held November 18-21 2013 at the North and South Halls of McCormick Place, Chicago, Illinois.

Fabtech 2013 is expected to cover more than 550,000 net square feet, present 1,500 exhibiting companies and it anticipates over 35,000 attendees.

This year, there is also a free mobile application that you can download to access show information on the go with ongoing updates and info, including exhibitors, floor plans, session schedule, agenda planner, etc.

For complete information about registration, housing and travel accommodations, education programs, an exhibitors list and more, go to: www.fabtechexpo.com
