Chairman's Message

In an October Memo, the AWS Director of Membership stated that our youth are our most important resource, and they are the future of our Welding Society. We must find ways to reach students and young people already in the field. Do not be distracted by recent negative comments or allow other groups to slow your momentum in accomplishing our goals. It is imperative that we stay focused on meeting our objectives.

Herb Browne, AWS NJ Section Chairman
Morris County Institute of Technology

AGL Welding Supply Launches New Website

AGL Welding Supply Co., Inc. in Clifton NJ and Newburgh NY, has a colorful new website packed with information for the welder, welding supervisor, and business owner. It features easy-to-access details on welding equipment and related products; welder instruction; welder certification; and sales specials. The site also allows you to link directly to the websites of many major equipment manufacturers, simply by clicking on their company logo. Keep up to date with cutting edge information at:

6:00 p.m. Networking
6:30 p.m. Dinner
7:30 p.m. Presentation

DINNER COST: (dinner optional*)

Members & Guests: \$25.00
Students: \$15.00

Nondestructive Testing of Welds — An overview of applications and limitations

Speaker: Nagesh Goel, Vice President
AEIS LLC, Rahway, NJ

The basic principle of the four main NDT methods viz. Radiographic, Ultrasonic, Magnetic Particle and Penetrant testing shall be discussed. Applications and limitations of each of these techniques and its ability to find certain type of defects in welds will be discussed.

Nagesh Goel is the Vice President at AEIS LLC, a Metallurgical and NDT Consulting firm in Rahway, NJ. He is a Mechanical Engineer with specialization in NDT and Failure Analysis with over 17 years experience with various industrial segments: Petrochemical, Power, Aerospace, and Construction. His team is currently working on various WTC Projects.

Program only? It's okay

*If you wish to attend just the technical presentation of a particular AWS NJ Section meeting, you are welcome to do so.

For "program only" attendance, please arrive by 7:15pm.

Come as you are

You are very welcome to come to the NJ Section meetings directly from work. Please don't be concerned if your clothes or boots aren't as clean as you might like after working all day. At AWS, we understand and appreciate that performing welding, cutting and related operations is a hands-on and often dirty business. There is no need for you to change — just come as you are and take full advantage of the benefits.

**Manufacturers Night
April 17, 2012 — Act Now**

Register now to assure your company's participation in the AWS NJ Section Manufacturers Night scheduled for the April 17th meeting. This local display of the latest in machinery, equipment, technology, materials, products and services for the welding and related industries is a great opportunity for small and large companies to showcase their capabilities. Let's make this one better than ever!

Table top display areas are available on a first-come, first-served basis. There is no charge for participation. Company representatives pay just the standard dinner fee for the meeting. Door prizes and promotional giveaways are welcome.

If your company would like to participate, please email Al Fleury: alnpat1@gmail.com

Upcoming Events

AWS NJ Section Meetings are held on the third Tuesday of the month at: Pantagis Renaissance/Snuffy's Clambar, 250 Park Ave., Scotch Plains, NJ unless otherwise posted.

Come as you are. Guests welcome. Dinner is optional. Arrive by 7:15pm for the program portion only.
