Chair’s Message

Hello everybody. Welcome back to our delayed 2020-21 season.

My name is Alfred Fleury, and I have been elected to be your chairman for the new season. We are starting out with great speakers from our own executive committee — namely Jim Dolan speaking at this meeting, and Paul Lenox at our November meeting. As we don't meet in December, you will hear more about our plans for 2021 in the near future. We promise that they will all be exciting and very worth while to attend.

Although the restaurant is not allowed to have a buffet, they will be giving us a choice of three entrees for dinner. Masks will needed when not eating and we will be practicing social distancing in our seating arrangements.

Regarding my credentials, I joined the American Welding Society in March of 1959. I became chairman of this section in the 1966/67 season. Since that time I have served on many section committees and was Treasurer for 19 of those years. I have served two six year terms as a district 2 director and am a life member. I also served on many national committees, my last position as a member of the counselor committee, which I chaired for many years.

Over the next months I plan to share with you some of the highlights of my 73 years in the welding industry, pointing out the various positions I was involved in, most of them not 'under the hood'.

Al Fleury, A.F. Fleury Associates  
AWS N.J. Section Chairman

Election Results

2020-2021 Officers & Executive Committee

In accordance with the By-Laws, the AWS NJ Section Nominating Committee presented a new recommended slate of officers for the 2020-2021 season in the April, 2020 issue of this newsletter and procedures for submitting Nominations by Petition were explained.

As no additional nominations were received by April 25th, in accordance with the By-Laws, the Secretary cast a single vote to elect the slate as presented.

The current list of officers, executive and standing committee members appears on page 4.
